# 2027 Online Secondary Booklists

Dear Parents,

The Online Secondary booklists for 2027 are now available.

Here are some points to help outline this process:

1. **How to access booklists**
   a. Visit www.mcc.vic.edu.au and navigate to Community > Parents > Booklists or go directly to: https://mcc.vic.edu.au/student-resources/
   b. Select the required booklist, ensure you have chosen a booklist under the Online Campus Heading, and follow the instructions on the front page to access it online.

2. **When to purchase books**
   a. Please place orders **prior to 18th December** to ensure all texts arrive on time for term 1 2027.
   b. Free delivery ends on the **4th of December 2026.**

3. **Which items to purchase**
   a. Note which items can be retained from previous years, you do not need to purchase these again.
   b. Students must have all listed items for subjects they are enrolled in; refer to the table on p2 for more specific details. *If you do not require a listed item, ensure you change the quantity to zero prior to finalising your order.*
   c. It is recommended all eBooks are purchased via Winc booklists to simplify student access.
   d. Subject-specific stationery items are listed alongside required texts.
   e. If you choose to source listed items elsewhere, please ensure stationery items are very similar to those requested and textbook editions are the most recent.
   f. eBooks are generally not refundable, so ensure you purchase for the correct subjects.

4. **Delivery of books**
   a. Print books and stationery items will be delivered to your home address by Winc.
   b. Digital books: Winc will send eBook login details and instructions to both the parent and student email addresses entered during the ordering process.

5. **Student email addresses**
    a. When purchasing digital books, you will be prompted for a student email address, please enter your child's MCC email address. The correct email address format includes the student username, for example: jsmit02@mcc.vic.edu.au.
    b. If your child is new to MCC in 2027, their student email address will be emailed to you within the next 2 weeks.
    c. If you complete your order without entering the student email address, you will receive an email from Winc to update this information before eBooks can be delivered.

6. **Online courses & additional charges**

Some subjects on the booklist include a note regarding a separate charge. The following resources were not able to be included on the booklist, rather they will be automatically charged to your account in 2027 if your child takes any of the subjects listed below:

| Year Level | Subject | Online Course or Textbook | Cost |
|---|---|---|---|
| 7, 8, 9, 10 | Various Subjects | Atomi online resources | $75 |

7. **Further assistance**
    a. If you require help placing your order or have general questions regarding the booklist, returns or delivery visit https://www.wincschools.com.au/helpcentre
    b. You can also contact the College on 9732 3000 for clarification on any of this information.
    c. Students should keep their activation email from Winc as it contains important details. At the beginning of the year, teachers will support students in accessing digital resources as needed.

Yours sincerely,

Mr Derek Bendall
Head of Online
